NOVEMBER 2007

VOLUME XXXVI NUMBER

## LETS CELEBRATE

By Randy Schroeder  
Grand knight

As we enter November, we have several things to celebrate. The best known is Thanksgiving Day. During this celebration we gather as families enjoying good food and family . I encourage all to take this time to thank God for the blessings you have received.

A second great celebration is Veteran's Day. We as a nation should all take a moment to thank our veterans, past and present. These are the people who have endured hardships and fought for us to have the right to partake in the third event in November. This is the right to vote. I encourage each member to exercise this freedom. It is one of the less painless and effortless acts of freedom we have.

I wish each brother and his family best wishes during the Thanksgiving holidays.

God Bless

### THE KNIGHTS OF COLUMBUS PROTECTING FAMILIES

### Roth IRAs: A less taxing way to save

Did you know that you can establish a Roth IRA through the Knights of Columbus? If you haven't set up a Roth IRA for this year, there is still time to take advantage of this great way to save for retirement.

*(continued at right)*

*(continued from left)*

You can now save up to \$3,000 per year, minus the amounts you contributed to other IRAs. The limit is \$3,500 for people over 50. The total you can contribute also depends on your income, but you can do so regardless of whether you participate in a pension plan.

Although your contributions aren't deductible, the long-range benefits of a Roth IRA should be compared to those of traditional IRA. For starters, many people earn too much for a traditional IRA to be tax deductible. And with a Roth IRA you avoid the age 70 1/2 minimum distribution requirements that come with traditional IRA.

You can establish a Roth IRA and make your yearly contributions, up to the date you file your tax return for that year (excluding extensions). But annual contributions to a Roth IRA aren't required. All interest you earn is Federal income tax-free, provided you withdraw your funds under certain "qualified distribution" rules. If you'd like more information about Roth IRAs –or traditional IRA- I can help. But do it soon. Saving as much as you can for retirement is always a wise move, and the earlier you start, the better. Call me today.

Your Knights of Columbus Field Agent

Sincerely and Fraternally  
Walter Thomas
